

*More Reasons to SMILE!*  
**Dental Awareness Day**  
**Friday, August 4, 2006**

Commonly Asked Questions

- My four-year-old has a cavity. Are there colored tooth fillings for kids?
- Does kissing cause or spread gum disease?
- Is it safe to get dental x-rays if I'm pregnant?
- I wear dentures. Do I need to see the dentist if nothing bothers me?
- I hear soft drinks can affect my teeth. Is it OK to just sip one soda all day long?
- How can I help control bad breath?

**Have an embarrassing dental question?**

**Let the Academy of General Dentistry (AGD) and the SmileLine<sup>SM</sup> help put your dental worries at ease!**

You have a chance to get advice from the experts during Dental Awareness Day, **Friday, August 4, 2006!** Anyone with questions or concerns about oral health can call the SmileLine toll-free at **1.800.SMILE.33 (1.800.764.5333)** from **8:00 a.m. to 8:00 p.m. EDT**. More than 100 dentists (including bilingual dentists for Spanish speakers) will be available to provide **free dental advice** and answer questions about oral health.

SmileLine has provided guidance to more than 16,000 callers since 1991 and has strengthened and encouraged dentist-patient relationships. For more information on the AGD, visit [www.agd.org](http://www.agd.org).
